Whispers from The Brighter World
A Third Revelation

*Tuesday, May 14, 2002 - 10:00 a.m.*

*Whatever may happen to you, you should keep joy in your heart. With the passing of years, it grew richer with real treasures accumulated through your work, your perseverance in following us and trusting us. You have a considerable asset that you cannot easily value. Your summary estimate of it encourages you nevertheless to carry on your efforts. We lead you on a path which gets clearer little by little, where your step becomes steadier and firmer in its determination to go on until the end of the path. Your experiments in past lives left a hunger in you difficult to satisfy. Your soul is expanding; it is fired with the divine light that calls it. You control this requirement, but the need is there, real, and you know it. You do what is possible and you attract light in your hearts. Any sorrow is rewarded; nothing is lost of the efforts and impulses of love suggested to you by this special process, which holds an important place in this lifetime, since it will follow you well beyond the hassle of this world. Be confident and surrendered to His grace."*
