Whispers from The Brighter World
A Third Revelation

Monday, May 27, 2002 - 10:00 a.m.

The Medium: "O Master, take me into this endless round where praising God and our Beloved Babuji is the supreme reward."

Keep this request in today's message, my daughter. Why couldn't you let your heart express itself? Does it not have its own priorities?

"In the wake of your Master and under his protection, you can be daring.

"With regard to love, there is no room for restriction. Your heart is free to love and to express it firstly to the Supreme Guide, as well as to your Masters who serve Him on this Earth and beyond. An essential aspect of their mission is to kindle love and to prepare hearts for the ultimate fusion. Don't feel isolated, in exile, as you happen to think. You are not cut off from the source, you know it, and moreover, we follow your steps; some experiments prove it.

"The same goes for each heart offered to us. There exists a great family of souls strongly bonded to each other and within which they can open out. Confidence is the masterpiece of this process, which consists, from circle to circle, in reaching the central point where fusion with the Divine is achieved.

"Be joyful and motivated to achieve this goal under our higher guidance."
