Whispers from The Brighter World
A Third Revelation

Tuesday, June 4, 2002 - 10:00 a.m.

All is well; believe me. By acting as you are doing, i.e., by acting according to what we inspire in you, you make us happy. Times change, my dear daughter, it is necessary to adapt to it. By living surrendered, as you are doing, it is all easier. There are many ways of serving; as far as you are concerned, you have several options. We have not finished as yet with these contacts.
You will receive some more messages; your work is not finished. New prospects will open up for you; you will be able to adapt yourself, for the love of us. This dimension has always guided you and helped you in your action. Live from day to day with complete confidence, looking towards us. Your heart earned its freedom after a hard-fought struggle. It is entirely offered to us. This outcome makes you serene, to achieve what we expect of you. All has its raison d'être; the seemingly most insignificant acts are useful. Devote yourself, as you always did, to offering your channelling capabilities; they are offered generously in the context of a service appreciated by us all. Be at peace, my daughter."
