Whispers from The Brighter World
A Third Revelation

Sunday, June 9, 2002 - 8:45 a.m.

You can be delighted; a great step has been taken for these messages. My son will be able to make the right decisions. Don't worry; he will comply with your wishes about them. What is important is that he has started to peruse the first bunch of messages sent to him, which will give him an initial picture of the whole set. My son is a fighter; the day he deems it necessary to publish them, he will not dwell on mundane circumstances. His vision of things is broader than that. His prerogatives as a spiritual Master give him a vision that goes well beyond; we entirely trust him. Don't worry about the fact that your treasure will be taking off; its destiny must be fulfilled. All will be done under the best of conditions and at your pace. Be happy to see your Master taking all these writings to heart. Let yourself be carried by the wave, my dear daughter; the moment we were awaiting has arrived. All is well like that. We bless you."
