Whispers from The Brighter World
A Third Revelation

Tuesday, June 11, 2002 - 8:00 a.m.

Be patient; everything will take its place. Don't you have your usual refuge into which you can withdraw yourself? Do what you have to do, and then let time do its work. This way of seeing things is the best one; believe me. You have been working throughout these years, surrendered to our will; should you blame yourself for it? Why these fears and these doubts? My dear child, a valiant heart like yours, offered to our service, must remain serene."
