Whispers from The Brighter World
A Third Revelation

Thursday, June 27, 2002 - 10:00 a.m.

You carry in your heart this Mission that we all serve on different levels, but where mindsets are joined in a willingness to help it develop according to the envisaged plans. All that can contribute to it makes you happy. Therefore keep it in your heart, more than ever, since all prospects are delightful in this aspect. One century will be enough to place it entirely on the world scene and to make it operational in the hearts receptive to its action. We have already said it: you are the pioneers of a great mystical epic advocating tolerance, justice and love. Its simplicity will appeal to many hearts fond of freedom of action, and that are not willing to be locked up in any rigid and restrictive dogma. Beware of raising barriers around what must be offered without any restrictions whatsoever to all. All can own this system for their own good: i.e. to develop spiritually with utmost sincerity."
