Whispers from The Brighter World
A Third Revelation

Thursday, July 11, 2002 - 8:00 a.m.

The agitations of your unhappy heart can also move us. You see this incarnation as an exile; it is also – and you know it – a great opportunity for making progress. When you are overwhelmed with melancholy, you should think of all that you have yet to acquire. You have no more time to waste. You have already come a long way on the Earth and made many mistakes; in that, you are no exception. What is important is what you now still have to achieve. Concentrate on this aspect of your life; it is worthwhile. My dear daughter, pull yourself together. You must continue to fight; it is the lot of all human beings. You have good reasons for that. Think of all those who don't have faith, and who don't expect anything else beyond this lifetime. Can you imagine how sad that could be? And yet, many men and women are in this frame of mind and have no hope in anything. You should re-motivate yourself, shouldn't you? We ask you to so do."
