Thursday, July 11, 2002 - 10:00 a.m.

hat else to tell you that can delight your heart? Think of your Master, who is courageously facing up to the Mission, which is growing. We know how important it is to you and also to the fact that you are not writing in vain, as you would be tempted to believe on gloomy days. You can believe us; these writings are useful. We bless you."
