Whispers from The Brighter World
A Third Revelation

Friday, July 26, 2002 - 8:00 a.m.

Set aside an increasingly bigger place for your spiritual life; give it utmost priority. Once this stage is reached, there is no more constraint; it is quite simply about meeting the needs of the soul, which requires a more sustained attention. This expansion takes place naturally; it does not change life overnight. It is a slow work which reaches, with time, this point of apotheosis. Let this thirst for the Divine be expressed in you; support it in all possible ways. It builds the greatest success for you. Be attentive to the signs; they are numerous and appear without being perceived, as they should be. You have embarked on a long journey. Give it, without any hesitation, all the chances to go on smoothly; its goal is worth it. We always revert to the same subjects, trying to cast on them a new light likely to motivate you. Do we succeed in that? Such is our dearest wish."
