Whispers from The Brighter World
A Third Revelation

Saturday, July 27, 2002 - 10:00 a.m.

Rest assured, my daughter. As far as we are concerned, our relationship is not similar to those maintained by humans. It does not fluctuate according to the days or the present moment. Here, you will not have disappointment. Let your heart be at peace and sure about these values which are so precious to you, since your life feeds on them and draws courage from them to advance, despite everything."
