I can hear you; you are not unknown to us. Our contact will not go any further. We cannot disturb you in the work you are doing. Your divine guide would not appreciate it. You are serving a beautiful way, which will go far in time."

The Medium: "Can you cure me or help me with my health?"

"We cannot interfere in the work of your Master. You will feel better today; it is what we do offer to you as an answer to your request. We bless you."
