Whispers from The Brighter World
A Third Revelation

Sunday, July 28, 2002 - 10:00 a.m.

Don't worry. Some kind souls will come to your assistance during this period you dread going through. Calm down your mind, your thoughts don't serve the purpose of our contact. Interiorise yourself, my daughter; it is the best means of dispelling your worries. Increasingly make the most of your spiritual resources; they, only, don't change. Each day when you need them, you realise that they have remained intact. Everything fluctuates around you. Only they are reliable. Your asset, in this area, can only grow. It cannot be affected by fortuitous facts. Nothing is stable in this world; man lets himself be misled by false values that can only lead him to disappointments. The wiser ones go beyond these material aspects. They build themselves a world where they can delight in the imperceptible, the only true resource that consoles them for the turbulences of this life. They advance with a heart full of joy; it is inimitable. Here below, it is unequalled; it opens the secret doors leading to the ineffable."
