Whispers from The Brighter World
A Third Revelation

Sunday, August 4, 2002 - 8:00 a.m.

et your heart sing this celestial melody which reaches us. Let it be expressed in all its beauty; it can only move us. This kind of love coming from men is precious. Yours, my daughter, is like a real treasure, laid as an offering at our feet.

"It is such accents coming from the Earth that encourage us to work more and more to help humanity. We insist constantly on this force that love represents, because it is powerful and only it can save the world. May these many repetitions create it to the utmost in you, while enlightening you on its importance."
