Whispers from The Brighter World
A Third Revelation

Sunday, August 4, 2002 - 10:00 a.m.

They are not empty words, only a reality which men find difficult to believe. Its manifestation escapes you; it is not concrete, but it signs in golden letters everything good coming from this world. Its richness is infinite; it prepares better days on this Earth. Give it free rein in you, let yourself be carried by it, subjugated, dazzled. Cultivate it like a sublime scarcity. Give thanks to God for granting this favour to you: to love Him above all with this love which cannot be described but only lived, in a heart completely open to its power and which transforms life."
