Whispers from The Brighter World
A Third Revelation

Tuesday, August 6, 2002 - 8:00 a.m.

Taste this special moment when your heart can delight in the divine communion. It loses all concepts of time and place. It does not mind the worries and the monotony of the days; what counts is only this union that transports it beyond everything. You should be more focused on your spiritual life; it must develop in you by giving you greater detachment and all-desired serenity. At this level, you can build the life you are dreaming of. Let your thought aim at perfection and beauty! Raise your heart more and more towards the Divine. As a matter of course, transformation will happen in you, while creating therein a perfect world."
