Whispers from The Brighter World
A Third Revelation

Wednesday, August 7, 2002 - 10:00 a.m.

There are decisive turning points in life. In giving you all possible arguments to encourage you to continue with eagerness in the spiritual way, we cannot do better than that. It only belongs to you now to make the choices you deem right. We will keep giving you all the attention you may request. Your Masters are there no matter what happens, and they follow you in your efforts, your doubts and your discouragements; we understand them. You must, despite everything, keep joy in your heart. You belong to the chosen ones and as such, hope must continue to grow in your hearts, since it is not in vain. It will be crowned with the success and graces that it can generate. Be confident and loving; we bless you in your undertakings."
