Whispers from The Brighter World
A Third Revelation

Sunday, August 18, 2002 - 8:00 a.m.

aise your thought more and more towards the Divine; detach yourself from this world and these vicissitudes. Your heart only aspires to beauty and serenity, to advance in the way to the absolute. Permit it all leeway for that, offer it what it is longing for, and open very wide for it the door to the infinite. Don't look back; you have made your choice. Observe, feel concerned and pray for humanity, for all those who are dear to you and for your soul to keep rising, thus returning to its fatherland."
