Whispers from The Brighter World
A Third Revelation

Wednesday, August 21, 2002 - 10:00 a.m.

Be happy to benefit from the divine graces and our attention to you. We keep repeating it to you, but you, humans, you always need evidence. In your moments of mystical transport, all is perfect, and then you let yourself be caught up again in the movement of life, and your perception of things changes. Try to permanently keep a stable spiritual condition, which can shelter you from doubt and discouragement. We can understand human weaknesses. Our lives were particularly difficult, and we were not spared anything. Only our spiritual life was the surest refuge. The guidance of a beloved Master is the supreme comfort, the heart not being isolated any more in its loneliness. Moved by the graces it receives, it advances in confidence."
