Saturday, August 24, 2002 - 8:45 a.m.

Yes, I am here. Have you lost your eagerness to receive us regardless of whatever happens? We understand your lassitude; your body is not the ideal tool, far from it. All your goodwill weakens in this moment. How could we hold it against you? We know how very high are the standards you have set for yourself. My dear daughter, rest assured and be blessed for your perseverance in serving us."
