Whispers from The Brighter World
A Third Revelation

Saturday, August 24, 2002 - 10:00 a.m.

We accompany you in this painful process. What you are doing to please us, would it be so valuable if everything were easy for you? Be assured that we are capable of realising how much it costs you. You are not guided by this criterion; your love for us is the only driving force that makes you advance. Your true joys only come from these contacts and from what your soul receives. It thrives on this divine energy that satisfies it. This new test unsettles you, and yet you carry on, on your way, my dear child. The main thing is not affected, far from it. Your heart is adorned with all the graces; it gives us its maximum faith and all its loving capacity. In this field, you have every reason to be happy; this asset is impregnable as it is protected in a solid bastion. Keep faith, don't lose heart."
