Whispers from The Brighter World

A Third Revelation

Sunday, August 25, 2002 - 10:00 a.m.

Act as per your heart. We understand your lassitude; you have given the maximum to satisfy us until now. Our rendezvous will continue and you will do according to your capabilities. Try to overcome your current difficulties at this moment. Look towards the horizon and imagine the beauty of those unknown spaces; only see that. Can you forget your body during this contact? We want to take you by the hand and guide your steps in this privileged moment when we besiege your heart. Caught in this soft euphoria, it becomes lighter and your body benefits from this energy! A well-led meditation operates on all levels; it brings about much and deserves all your care. Practise it with zeal and with fervour; it will change your life. We encourage you all to practise assiduously. Be blessed to persevere in our way; it will not disappoint you. One day, you will achieve the divine goal."
