Whispers from The Brighter World
A Third Revelation

Saturday, August 31, 2002 - 8:00 a.m.

You do not have to provide explanations to justify your lassitude. We know better than anyone else the movements of your heart. This results only from a great amount of tiredness generated by what your body is enduring. Your soul emerges from all these troubles beautiful and serene. Thriving on the pure honey of love, it glides in its splendour and is strengthened by the tears and fights which you must lead. It is not indifferent to your struggles; it arbitrates them with lucidity and sufficient hindsight, growing with each one of them. It is refined and becomes as pure as a jewel offered to divinity. Be at peace, all is well, my daughter."
