Whispers from The Brighter World
A Third Revelation

Wednesday, September 18, 2002 - 10:00 a.m.

Don't lose a drop of the nectar granted to you. Let your soul exult on this day of your birthday when we especially bless you, as well as those who surround you with their love, and whom you recommend to us in this moment. It is a special day for you, in many respects. You are our beloved daughter; you are precious to our hearts. Let us remain for a while, plunged in a deep silence and in complete union of soul. Keep this joy in you throughout this day and let it strengthen you in all the fibres of your being."
