Whispers from The Brighter World

A Third Revelation

Sunday, September 22, 2002 - 8:00 a.m.

Venerate love above all. One day you will understand why we insist so much on this concept. You have this ability to attract it; it is a grace, you know it, and your mission also includes maintaining this flame in you.

May you take along the souls in your wake – more and more! It is the outcome of any spiritual process. Your heart is carried by this powerful wave; it operates almost without its knowledge while redistributing what is given to it so widely. Love cannot be contained; a powerful movement constantly sustains it. It floods in like a salutary wave. Its action is multiple and hidden, it is the best thing in this world. You should learn how to venerate it as is proper, since it is one of the divine manifestations."
