The Medium: What to do with H.L.?

It is sometimes difficult to moderate her, but her enthusiasm is exemplary.

The Medium: And for the messages, Babuji?

Yes, insofar as she promises to keep these messages strictly to herself.

Will she be able to resist? Will her love for her children and her need to share not be stronger?

At the ashram, she is the source of many initiatives. The others rest a little on their laurels.

Speak with each other.
