Whispers from The Brighter World

Monday, April 26, 1999 – 8:00 a.m.

Go beyond human quarrels, my daughter. All egotistic reactions are inevitable. Have you ever seen a group where total harmony prevails? What is the situation even with blood relatives? It would be utopian to think there could be no discord there.

This will never change; humans are like that.

You know well that no secret should be shared if you do not want it to be leaked. Sooner or later, people's tongues are loosened.

This is why you have to be very vigilant about our contacts.

Didn't you know that X was a gossip? Men are also like that; this is not restricted to women.

The ones to blame most regarding the messages are men. Are you surprised? In this, as in other areas, they are not superior.
