The Medium: "Babuji, I have the impression that you are in each and every particle of my heart."

The Medium: "As far as I am concerned, I am no longer surprised by anything—for a long time."

"And yet, you will have more surprises ahead. You can never be sure of anything. You humans, you advance with a blindfold on the eyes. You believe you know and understand, but you are nowhere near that. As you can see, your questions are not useless. Don't you want to interact with me any more? Yet you let me have the easy job!"

The Medium: "Babuji, you know that I feed on these contacts."

'The reactions of your circle make you realize that others too benefit from these messages. So, let your heart express what it feels. All will be easier in our contacts. Stop thinking of other people's reactions! Thus, things will be clearer between us, we will be able to make a fresh and more intimate start."
