Whispers from The Brighter World
A Fourth Revelation

Thursday, August 28, 2003 - 10:00 a.m.

My dear daughter, it is obvious that you must rest; this work takes up your energy and it is imperative not to overtax yourself. Be reasonable, you should prepare for the forthcoming contacts. My son will understand that a break is necessary for your health. Remain connected to us through the heart and in spirit; we bless you."
