Whispers from The Brighter World
A Fourth Revelation

Saturday, November 1, 2003 - 11:45 a.m.

How could we remain insensitive to your call, my child, when your heart, like a voracious baby, expresses itself so forcefully? This feeling of smallness and surrender cultivated in you leads us to be very indulgent.

"Your heart is in need of us, you say. Maintaining this thought in your heart creates subtle and irreplaceable bonds. A constant call, or constant remembrance of the Master, whatever the name, remains the conduit between your heart and ours. The memory of this state of mind goes well beyond awareness. Feed on this love, it is your strength and your permanent way out. It makes you delight and it carries you away beyond this world, in an incomparable ecstatic state.

"Your call has been heard, once again, and you have received the answer. Remain connected to us as usual, my dear daughter. Be strong and keep the joy in your heart, in spite of everything. It will be the expression of your happiness in serving our cause.

"Be blessed and very conscious of the importance of this work."
