Whispers from The Brighter World
A Fourth Revelation

Friday, November 14, 2003 - 10:00 a.m.

Our way's discourse will inevitably need to change in keeping with the spirit of the time. It will follow the tide and even better, to a certain extent, it will precede it. Our brothers will need reference points, which we will have to be able to give them.

"By their content, these writings constitute an opening prefiguring this great movement heralding the new era with all the amazing revelations which it will bring to this world.

"Our brothers must be prepared for it; their spiritual work is an excellent means for that, but they will need to go beyond, by adapting to the situations, and they will welcome additional information.

"We will come back to the issue. Rest, do not go, once more, beyond your strength.

"Be blessed, my daughter."
