Whispers from The Brighter World
A Fourth Revelation

Thursday, November 20, 2003 - 10:00 a.m.

Be reasonable; take advantage of this period of rest, necessary for your health, to take stock of this long process punctuated with messages and their importance. They were not given in vain and are not insignificant. Continue to serve as best you can. Only the fact of loving puts you in an active movement taking place above human activities.

"Remain connected to us through the heart; we bless you."
