Whispers from The Brighter World
A Fourth Revelation

Monday, December 8, 2003 - 10:00 a.m.

Today again, we will content ourselves with a heart-to-heart contact: you must not overexert yourself, be reasonable. All is not finished. We will start again in due time. Keep this beautiful flame in your heart. It is a jewel, which you do not realise enough. Be connected with us from the bottom of your soul: there is your priority for the moment.

"Be at peace, my child."

Babuji

The Medium: "O Babuji, O my Master, my heart brings You together in an eternal praise."

"How can we not feel carried away by its love? It produces in us an indescribable expansion, beyond words, a boundless worship, raising us to his divine heart."
