Whispers from The Brighter World
A Fourth Revelation

Wednesday, December 10, 2003 - 10:00 a.m.

et your heart be immersed in a state of profound peace. Enjoy the vibratory quality of this special moment where your entire being is being rejuvenated and calms down; it is worth all the treatments of the world. You do not benefit correctly from what is offered to you, as you are still influenced by uncontrolled senses. You do not devote the necessary time to a true connection with the Divine.

"We will not go further in this reflection. Strive to be connected with us throughout this day and to maintain this state in your heart.

"Be patient and love us: that is your vocation, my child."
