Beloved Master
Revered Babuji Maharaj

Whispers from The Brighter World
A Fourth Revelation

Saturday, December 20, 2003 - 10:00 a.m.

The Medium: "Beloved Babuji, my sun, my light in this world, you are the true joy. You also endured so much and suffered in all kinds of ways, with only the remembrance of your Revered Master, in an exemplary relationship of love that gave you the necessary strength to continue.

"Your son, my Master, has taken over the tradition. He thus shows us the way leading to his divine heart and how one could try to find a place therein. Will I succeed, am I worthy of it? It is he who sees in the hearts and mine is offered to him from now on."

o not shy away: forward these lines. We are communicating with a heart-to-heart contact whereby you can open your heart to mine. You do not try to make nice sentences. They should be read, like all our messages, through the heart, and not with ready-made criticism. Here, only spontaneity and sincerity matter.

"Rest, my child; you need it."
