Whispers from The Brighter World
A Fourth Revelation

Monday, December 22, 2003 - 10:00 a.m.

The Medium: "O Babuji, my heart is calling you, it is pining for you. It feels lost in this world where it seems to be out of place. Love is its only food and allows it to fight to face up to life."

y child, calm down; do what you can and do not torment yourself. Advance courageously as you always have. You are not surrounded [by others] as you should be, but that is how it is. Your consolation is knowing that we attend to you. It is imperative that you rest, be reasonable. We bless you."
