(At dinner at Lorrain and Jacqueline's place.
Babuji's message given for the two of them, at the 9:00 p.m. Prayer.)

(For Lorrain.)

Thank you for all the work you have achieved and for what you are doing for the Mission. Later, you will be asked to make some sacrifices. Life is not easy for you both."

(For Jacqueline.)

Don't worry, Sahaj Marg is actually your way."

Babuji

(She expresses doubts about the message. She reports to C. B. about this who tells her: "Don't listen to these pieces of nonsense."

In Denmark, I report the incident to Patrick. He tells me: "Don't worry, I will speak with J.C. and will confirm that you do communicate with Babuji.")

Saturday, November 27, 1993 - 9:00 p.m.

(Query to Babuji concerning the decision Lorrain should take about his house.)

Things will happen by themselves in their own time. We keep an eye on him. His family life is not easy, but such is his fate. The future holds better days for him. He is doing his level best; that is very well. His wife is an exquisite being, who will leave her cocoon one day; we will help her in that.

"May he be at peace! Convey all this to him; he will understand."
