Whispers from The Brighter World
A Fifth Revelation

Tuesday, March 9, 2004 – 10:00 a.m.

Try to escape from the current discomfort of your physical body. Your spiritual body has its own life and you can figure it out according to 'the S.E.'s' comments. It develops in parallel with the one that continues in the present incarnation. Let this prospect be your refuge, particularly in this difficult period for you. Do not lose heart, my dear child."
