Whispers from The Brighter World
A Fifth Revelation

Sunday, March 14, 2004 – 10:00 a.m.

The Medium: "My heart is so small; it is lost in the immensity of yours where its endless call can be heard."

My child, nothing is mawkish in this state of candour and surrender. Do not hide your impulses; other souls will follow you in this way and will no longer hesitate to give free rein to this surge of emotion. Genuine faith knows no reason; the intellect has no influence over it, in its truest and deepest sense. A sincere spiritual process generally leads to this state of grace that delights the soul.

"Be happy on this day. Let your heart feast on the effects of this state of grace. They will help you endure that which would be too difficult to bear without them."
