Whispers from The Brighter World
A Fifth Revelation

Tuesday, March 16, 2004 – 10:00 a.m.

Don't be sad, my child, you are not alone. We surround you in our own way, as you know. Doesn't your heart feel the impact of it? This long life of ordeals has moulded you according to divine plans. What else can be said to justify so many sufferings, most of which are hidden? Your soul exults in this heart-to-heart contact where everything seems to be abolished. What matters to your soul are only these delectable moments when it can soar freely, forgetting the constraints of a limiting physical body. Be at peace."
