Whispers from The Brighter World
A Fifth Revelation

*Thursday, March 18, 2004 – 10:00 a.m.*

*We support you in this struggle wherein you are supported by your faith and your love for us. We can only repeat to you that you should not lose heart, my daughter. Your struggles are not useless. They increase tenfold what inside you is being offered to God in an impulse of gratitude and surrender for the graces you receive.*

*"Remain in a heart-to-heart connection with us."*
