Whispers from The Brighter World
A Fifth Revelation

Tuesday, March 30, 2004 – 10:00 a.m.

My dear daughter, let us repeat: do not lose heart. Your burden is heavy and you are alone in the world of men. While we surround you in our way, it is no substitute for an attentive presence. Don't be sad; may your heart feed on our love while trying to anticipate the joy you will feel when you come and rejoin your loved ones.

"That is how your path is: gratifying in certain regards, but experienced painfully in your physical body where ordeals endlessly succeed one another. Rise above this condition by transcending it through divine love; it is being manifested in you according to its own laws.

"Be blessed!"
