Whispers from The Brighter World

Saturday, November 27, 1993 – 9:00 p.m.

(Query to Babuji concerning the decision Lorrain must make about his house.)

Things will fall into place in their own time. We keep an eye on him. His family life is not easy, but such is his lot. The future holds better days for him. He is doing everything he can, which is very good. His wife is an exquisite being, who will come out of her cocoon one day; we will help her in that. May he be at peace. Convey all this to him; he will understand.
