Whispers from The Brighter World

A Fifth Revelation

*Sunday, January 30, 2005 – 5:00 p.m.*

*On this occasion, it is justified to replace your Beloved. Your heart remembers; many of our brothers also will be in remembrance this anniversary day.*

*"We have carefully followed the entire journey of these messages, from their infancy in the beginning until this exemplary consistency of your service. Your heart draws on the source; it is guided by love, which is the only characteristic that can achieve wonders.*

*"Our son, your Master, also shows great courage. Moreover, he adapts to circumstances and benefits from the opportunity provided by these contacts to express himself differently. These messages represent a considerable celestial manna for our way. They will be considered as such even more so in the future.*

*"My dear daughter, being attentive to your progress, we appreciate the follow-up work being properly done by volunteers who are effectively working. Loving one's Master, you know, is a mystical tradition in which a heart offered up to the Divine cannot escape from it. The Master is the channel through which that love is conveyed to its source in the most direct way.*

*"Our way is making progress; Sahaj Marg is suited for the current times. In its simplicity it touches hearts that are ready to grasp its effectiveness. May this anniversary once more bring our brothers together and closer to one another in a*

*spirit of brotherhood, overcoming all divergences characterising humankind!*

*"May peace be established in all hearts and make them grow wiser, under our very special blessings."*
