Whispers from The Brighter World

A Fifth Revelation

Monday, January 31, 2005 – 11:00 a.m.

To our son,

"Your influence will leave a major mark in our way. You are the suitable Master for it and you will distinguish it forever.

"We laid the foundation stone and every day you are building this solid edifice that will defy time. No matter what happens, the Sahaj Marg Mission will carry on its way, as desired by the higher hierarchy, by keeping its original identity in a very different context appropriate to future times.

"Don't worry, all is well. You are doing your level best and we appreciate it, my dear son. Our ceaseless blessings are with you."
