Whispers from The Brighter World
A Fifth Revelation

Friday, March 18, 2005 – 10:00 a.m.

Our special relationship has fostered this history of messages; it is its driving force and inspiration. Only love could give it this density and also its longevity, soaring over the painful phases of your life.

"The sections relating to you are not superfluous; they show how we are attentive to the many difficulties our aspirants must face. Their elevation hinges on them. They cannot be circumvented; they shape their destiny. Therefore, once more, do not exclude these lines; they are an integral part of the whole of these messages.

"Be at peace, my child."
