Whispers from The Brighter World
A Fifth Revelation

Saturday, April 30, 2005 – 11:30 a.m.

You may rejoice; you have done a good job. Your heart longs to unite with us in a state of silence and love.

"We thank you, as well as your dear children in heart who are available to serve and are vigilant in their work. You have our very special blessings on this day, which is also special for our Mission. A big step has been taken; let us now carry on according to the higher will.

"Be at peace and rest assured; all is well."
