Denmark

(Hotel in Silkeborg, during morning meditation.)

The Medium: Babuji, I will no longer listen to you, such a journey is too hard.

I went to the point of exhaustion to reach the abhyasis.

The Medium: Yes, but you, you were accompanied by a strong man, Parthasarathi, whereas Christine is breaking her back to carry my luggage.

But, you must do as I did: travel light!

Babuji

(He gives a big smile and moves his arms.)
