Whispers from The Brighter World
A Fifth Revelation

Sunday, March 19, 2006 – 10:00 a.m.

The Medium: "O Babuji, you adorn my life with the most beautiful glow. It sets ablaze my soul which is altogether offered to you.

"Each day you breathe strength into me and maintain in my heart an extraordinary love devoted to your illustrious person. Your light dazzles me and your immense heart attracts me, like a refuge where everything, except the main thing, is abolished".

Be delighted, my child, your heart will soon enjoy true rapture; meditate and pray."
