Whispers from The Brighter World
A Fifth Revelation

Thursday, June 22, 2006

More than growing, he has become ennobled by our contact; you can be thankful and pray diligently for that. Be blessed."

"In this confined space where your heart is surrendered to us, wonder develops — one that is invisible to human eyes."

(Later)

"Your relationships go well beyond this incarnation; he can call you mother. In a way, you gave him life. He should not forget it."
