Whispers from The Brighter World
A Fifth Revelation

Tuesday, September 19, 2006 – 10:00 a.m.

From now on, our voices should no longer dissociate from each other. They are as One [Voice] – which has its place in the long epic of these messages where nothing should be neglected. Doesn't all have its raison d'être?

"Only time can truly shed light on events, especially in a field where man has no decision-making power: what must be will be. Thus is built an edifice that is divinely inspired. Therefore, do not take out what you think is superfluous: your voice joining ours sometimes. Meditate on these remarks."
